Tuan/Puan,

Registrar's Circular No. (U) 3 of 1985

It is the responsibility of every advocate to see to the renewal of his or her annual practising certificate. Section 9 of the Advocates Ordinance states clearly that no advocate shall in any calendar year be entitled to practise in Sarawak unless and until he has received from the Registrar a certificate to practise in respect of that year. Failure to comply with this may result in the suspension from practising in Sarawak or having his name struck off the Roll. See section 12(1).

If he or she has not taken out a practising certificate for that year he or she cannot practise in that year.

The Registry is keeping track of this through a special book kept by the Registry.
