Yang Arif Datuk/Dato/Tuan/Puan,

REGISTRAR'S CIRCULAR NO. 1 OF 2017
TRIAL DATES FIXTURE

I respectfully refer to the above matter.

2. The Right Honourable the Chief Judge of Sabah and Sarawak is concerned that, of late the courts have been too lenient on the trial dates and there have been too much giving in to the dates of Deputy Public Prosecutors and counsels to the extent that the courts are letting them dictate the courts' timetables.

3. There is no reason for the Deputy Public Prosecutor or counsel to be troubled by his/her own dates if a trial date is fixed two (2) months in advance and if they are not free then another should take over.

4. This directive shall take effect immediately.

"BERKHIDMAT UNTUK NEGARA"

Saya yang menurut perintah,

DEAN WAYNE DALY
